Why can't I change feedback type and status?

Only users in organization BimDev01 are permitted change feedback type and status.

If you are a user in BimDev01, please check if you are on tenant HatchBimDev. You can find and modify your tenant information [here](#)

* If you are already on HatchBimDev but you still cannot change status and type, please change your tenant to one of the tenants you belong to and change back to HatchBimDev from [here](#) again. We apologize for the inconvenience.

If you still have questions, please contact hatch digital team by [email](#)
